BEGINNING BAND
HANDBOOK
2021-2022

Dear Beginning Band Members and Parents,

Welcome to Beginning Band! I am excited that you have chosen to be a part of the band program and look forward to a year filled with educational, musical, and fun experiences!

Your child's participation in our band program is beneficial in many ways. Band students are engaged daily in a highly creative performing art that stimulates growth in areas of the human brain that no other discipline can. This growth effortlessly transfers into your student's academic life. In addition, our band students will develop traits such as teamwork, responsibility, dedication, self-discipline, social skills, confidence, leadership and dependability. Membership in our band program will give all a sense of accomplishment, pride, and respect as the students develop musical and personal skills that will enrich their lives.

The purpose of this handbook is to outline the guidelines and expectations for making this year a success for all involved, and to serve as a guide and resource for students and parents. Both students and their parents should take the time to thoroughly read this handbook. Upon completion the contract on the last page of this handbook should be signed and returned to school, indicating your understanding of these guidelines and expectations.

I would like to encourage your input. If you have any questions or comments please feel free to contact me anytime at ccummings@brownsburg.k12.in.us or call 852-3143 ext. 2532.

Sincerely,
Courtney Cummings
BWMS Band Director

PRACTICE

Progress on a musical instrument depends a great deal on what is achieved during **daily** home practice sessions. The rewards of playing a musical instrument increase in direct proportion to the number of hours invested in individual practice. The key is to set aside a designated time every day for practice. Set up a daily schedule to ensure that practice is an important part of your daily studies. 30 minutes of practice 6 days a week is a good goal. Band students will have an instrument locker at school for storage during the school day, but instruments should go home each evening. The following tips are given to help students practice at home:

HOW TO PRACTICE:

1. Study it.
2. Count it out loud.
3. Name the notes.
4. Finger the notes.
5. Play it! Start each line slowly with a feeling of good rhythm. Tap your foot. Repeat the part of the line that is difficult. Write in the counting on difficult parts. Increase your speed only after you can play it perfectly.

BAND PARENTS: YOU CAN HELP!

Playing a band instrument involves an investment of both time and money. In order for your child to be successful it is important that you offer encouragement and support. Your child will catch on to some things very easily. There will be times when your child finds a technique or concept to be difficult to learn. There were times in my education when I felt like tossing my flute out the window! Thankfully I had supportive parents who encouraged me to see it through. Besides giving your child moral support, you can help your child develop good practice habits. Here are some suggestions on how to help your child achieve good practice habits:

1. **HAVE A SET TIME TO PRACTICE EACH DAY.** Help your child make a wise choice about when this time will be.
2. **PROVIDE AN ADEQUATE PLACE TO PRACTICE.** Your child should have a straight chair to sit on and ample lighting.
3. **HELP MAKE PRACTICE TIME FREE OF INTERRUPTIONS.**
4. **ASK YOUR CHILD TO PLAY THE BAND MUSIC FOR YOU.** If you are not able to monitor your child's practice, ask him/her to make a recording for you to listen to on your way to work!
5. **HAVE PATIENCE IN REMINDING YOUR CHILD TO PRACTICE DAILY.**
6. **MAKE MUSIC A FAMILY ACTIVITY.** Take your child to hear a concert. Purchase CDs or recordings of good musical performances.
7. **ENCOURAGE YOUR CHILD.** Hey, that sounds great!!

PRIVATE LESSONS

Brownsburg's private lesson program is a district wide program that provides a high-quality enhancement to classroom instruction. Most of our teachers are professional musicians in the Indianapolis area and have advanced degrees in the performance of their instruments. Lessons are extremely valuable to the individual student. ALL students are highly encouraged to take individualized private instruction. Lessons will be given weekly during the band classes, before, and after school. Please contact the individual teacher to set up a lesson time.

Please plan to attend the meetings in the high school orchestra room on the third Thursday of each month.

FUNDRAISING

Each year the boosters sponsor several fund raising events to meet the expenses incurred by all the bands. A list of scheduled fundraisers and their start and end dates can be found in the
