

Welcome to come to the Sound of Brownsburg:

We directors are so excited for you to be joining the Sound of Brownsburg for the 2022 season! The marching band is the largest organization at Brownsburg High School with over 200 students involved. The students 9th through 12th grade (with some 8th grade students) make up one of the strongest high school marching bands in the state, and the group regularly performs on the national stage.

The marching band includes brass players, woodwind players, percussionists, and color guard. This is an extra-curricular activity that meets entirely outside of the school day (with the exception of the color guard class). Students can earn their PE credit for their participation. All musicians in the marching band must be enrolled in one of the school concert bands or percussion class.

The marching band season is quite extensive. We will begin with basic spring training rehearsals in April and they will become more regular in May. We rehearse for a week in June and a week and half in July, before the school year begins. The marching band rehearses three days during the school week and most Saturdays throughout the fall. In addition, they will perform at home football games. The performance season begins in September and continues through mid-November. When finalized, the performance schedule can be found on the website calendar (www.brownsburgbands.com)

The Sound of Brownsburg staff and students are dedicated to the “pursuit of excellence” and applying the lessons learned through band to life. There are very few activities in high school where the individual is such an important factor to the full group. The teamwork, leadership, and accountability lessons learned in this ensemble are second to none.

In addition to the work of the staff and students, this program recognizes their parent organization as the strength behind the band. The Brownsburg Band and Orchestra Parent Boosters is comprised of numerous dedicated and talented adults who work toward a common goal of providing life-changing experiences for their children. Please visit our website for more information on volunteer opportunities.

Every year this group is a new adventure. One marching band is never like the one that came before it. Brownsburg Bands enjoy rich traditions and great support from parents, school administrators and the community. Each student, instructor, and parent volunteer in the organization firmly believe it is the journey that makes the difference and the growth attained through the process is more important than any product that may result.

Again, Welcome to the Sound of Brownsburg!

Sincerely,

The Directors & Staff of the Sound of Brownsburg

WHAT DO MY FEES COVER?

The marching band is the largest student organization in the high school. It requires significant funding in order to “do what we do.” The Brownsburg Band Boosters (BBOP) cover significant portion of the total required for the marching season. The families however, do cover the largest portion of the required funds.
